8. [REDACTED] LIAISON John Tipton, GAO, called to advise that there was nothing new in the follow up to GAO's testimony on its investigation of alleged Nazi war criminals before the House Judiciary Subcommittee on Immigration, Citizenship and International Law on Wednesday. He said he was awaiting a letter from the Subcommittee confirming arrangements for two GAO investigators to be detailed to the Subcommittee to review Executive Branch documents. I told him that we had a Memorandum of Understanding with the Committee for the staff to come out and review our documents and we may insist on this arrangement. Tipton said he would support our position but GAO is now out of the picture and the matter is totally in the hands of the Subcommittee.
